

**VIRTUAL**

# COLLEGE EXPO20

**THURSDAY 11 JUNE #COLLEGEEXPO20**

**NOW TAKING PLACE ONLINE**

**THE FUTURE IS NOW:  
LEARNING FROM LOCKDOWN**

## **The only showcase conference and exhibition for the college sector in Scotland**

College Expo20 will be going ahead this year - as an online conference and exhibition. It is a key date in the college calendar and we were determined not to cancel or postpone the event. At this time we want to offer college colleagues, students, stakeholders and others involved in post-16 education the chance to

participate, share, network and engage through an online version of the conference and exhibition.

*With that in mind, we are delighted to have created an online exhibition package, which provides an interactive stand, along with online meeting, drop-in and presentation opportunities.*

**Exhibition & Sponsorship Packages**
